## Education

### Texas Tech University

Doctor of Philosophy in Agricultural Communications and Education – Expected August 2021

Master of Science in Agricultural Communications – May 2020

Department of Agricultural Education and Communications

*President's Graduate Fellowship*

### Oklahoma State University

Bachelor of Science in Agricultural Communication – 1998

Department of Agricultural Education, Communication, and Leadership

*Presidential Leadership Council*

*Magruder Memorial Scholarship*

## Teaching Experience

### Graduate Instructor

*Spring 2021.* Professional Development in Agricultural Communications – 32 major students. - Hybrid (Online + Staggered Attendance)

*Fall 2020.* Scientific Communication in Agriculture and Natural Resources – 100 non-major students. – Hybrid (Online + Staggered Attendance)

*Spring 2020.* Video Production in Agriculture. – 23 major students.

*Fall 2019.* Scientific Communication in Agriculture and Natural Resources – 100 non-major students.

*Summer 2019.* Scientific Communication in Agriculture and Natural Resources (online) – 22 non-major students.

*Spring 2019.* Video Production in Agriculture. – 22 major students.

### Teaching Assistant

*Summer 2020.* Scientific Communication in Agriculture and Natural Resources (online) – 35 non-major students.

*Fall 2019.* Foundations of Agricultural Communications (online) – 23 graduate students.

*Fall 2018.* Video Production in Agriculture. – 23 major students.

Fall 2018. Scientific Communication in Agriculture and Natural Resources – 114 non-major students.

## Professional Experience

Texas Tech University  
Department of Agricultural Education and Communications  
Research Assistant & Picador Creative - Manager  
2018-Present

Oklahoma Department of Career and Technology Education  
Educational Television Resources / Oklahoma Horizon  
Senior Media Development Specialist  
2014-2018

Agreybay Productions  
Owner - Producer/Director  
2012-Present

Oklahoma State University  
Agricultural Communications Services / SUNUP  
Senior Television Producer/Director  
2008-2014

Texas A&M University System - Agrilife Extension / Agrilife Research  
Agrilife Communications  
Communication Specialist  
1998-2008

## Publications

Irlbeck, E.G., & Moore, A. (2020). Crisis communications in a natural agricultural disaster. *Journal of Applied Communications*, 104(4). <https://doi.org/10.4148/1051-0834.2350>
